

## Colorado C.R.S. 12-280-308 Disclosure

### RECARBRIO™ (imipenem, cilastatin, and relebactam)

Merck Sharp & Dohme LLC (“Merck”) provides the following information to Colorado prescribers, as required by C.R.S. 12-280-308.

The pricing information below reflects Merck’s Wholesale Acquisition Costs (“WAC”) for the Merck product(s) listed below. The WAC represents published catalogue or list price and may not represent actual transactional prices.

The price a customer pays may vary from the price(s) listed, depending, for example, on how the customer purchases the product(s), the availability of discounts, the wholesaler/distributor, and/or other charges.

#### WAC for Merck Product

PRODUCT	NDC	DOSAGE FORM AND STRENGTH	WHOLESALE ACQUISITION COST (WAC)
RECARBRIO™ (imipenem, cilastatin, and relebactam) for injection, for intravenous use	00006-3856-02	Carton of twenty five (25) single-dose vials. 1.25 grams is supplied as a white to light yellow sterile powder for constitution in a single-dose glass vial.	\$7,903.50

The list below provides names of generic prescription drugs from the same therapeutic class as the Merck product, in accordance with Colorado law. Note that the drugs listed are not necessarily the generic form of the Merck product. Rather, these drugs could be the generic form of a non-Merck drug from the same therapeutic class. Depending on the number of generic prescription drugs in the therapeutic class, this list may not be inclusive of all.

This list does not imply that the products on this chart are interchangeable or have the same efficacy or safety. Please refer to each product’s FDA-approved label and indication for further information.
